

Registration 13. RETINOPSY® Moorfields versus Luzern+

The OCT
battle of the
year!

Witness something you have never seen! The hardest OCT cases of the world presented by two opposing teams to win the OCT trophy!
And experience IMAX 3D OCT to bring reality to life on the gigantic screen.

Novel **Retinopsy®** in 3D and Virtual Reality. The difference is obvious!

Peter Maloca *Pascal Hasler*

Peter Maloca & Pascal Hasler
OCTlab University Basel & Moorfields Eye Hospital, London
